RE: UNIFORM HANDLING EXEMPTION RENEWAL FOR JULY 1, 2007 THROUGH JUNE 30, 2008

Dear Residents:

This letter is to remind property owners that Uniform Handling Exemptions issued for July 1, 2006 through June 30, 2007 expire on **June 30th, 2007**. In order to continue your exemption status and ensure that you are not billed for trash services for the year beginning July 1, 2007 through June 30, 2008, a new exemption request needs to be filed with and approved by the Solid Waste Management Division (SWMD) no later than **April 30, 2007**.

Enclosed you will find a Uniform Handling Exemption Request form. Please follow the instructions carefully and make sure that you provide all the documents required for either Section 1: I am a Full-time Resident and Dispose of my Trash at Least Once a Week, **or** Section 2: I am a Weekend or Part-time Resident, as applicable to you. Failure to provide complete documents and the appropriate fees, will result in your application being denied. If you have more than one property a separate application for each property will need to be submitted.

NOTICE: **Effective July 1, 2007** SWMD will be tracking and monitoring trash disposal by parcel number. All residents that qualify for an exemption under **Section 1: I am a Full-time Resident and Dispose of my Trash at Least Once a Week at a County owned Transfer Station or Landfill**, will have to present the disposal card to the disposal facility attendants and ask for the APN (parcel number) to be printed on your receipt.

If you are a full-time resident and want to bin share you will need to contact your local hauler.

Please be advised that if you do not obtain an approved Uniform Handling Exemption from SWMD, you are responsible for all bills received from the local waste hauler. Delinquent charges are subject to the property tax lien process and can be collected through the County's property tax roll. For program information, please visit our website www.swbcounty.gov/wsd or call 1-800-722-8004 for more details.

Sincerely,
